1. Vision & Mission

A. Vision
The Wayzata Yacht Club is a hub of dedicated, passionate sailboat racers nationally recognized for its leadership and growth of a preeminent, innovative regional sailboat racing community.

B. The Mission of The Wayzata Yacht Club is to:
1. Provide and promote an affordable variety of high quality, competitive sailboat racing.
2. Advance the sport of sailboat racing.
3. Support other racing programs.
4. Recruit new members.
5. Promote training and development.
6. Improve facilities.
7. Provide a relaxed social environment.

2. Membership
Wayzata Yacht Club does not discriminate on the basis of race, religion, color, national and ethnic origin in the selection of members.

A. Provisional Membership
During the first year of membership, a Full member applicant will be classified as a Provisional Member. Provisional Membership is a pre-requisite for Full Membership and requires the following:
1. One-time purchase of a membership certificate for $400;
2. Full dues; and
3. Annual mooring fee (if a yacht is moored at the club).
Provisional Members enjoy all the privileges of Full Membership except the right to vote or the right to hold office. A mooring priority number is assigned upon application acceptance. Provisional Members will be eligible for Full Membership upon earning 15 provisional membership points based on the following schedule:

<table>
<thead>
<tr>
<th>Application Date</th>
<th>Board Meeting Review</th>
</tr>
</thead>
<tbody>
<tr>
<td>July 1 – Dec 31</td>
<td>June of following year</td>
</tr>
<tr>
<td>Jan 1 – June 30</td>
<td>December of same year</td>
</tr>
</tbody>
</table>

Provisional membership points may be earned as follows:
1. Race a minimum of 10 races in first year - 10 Points
2. Races over the minimum – 1 Point per race
3. Participation in club activities – 1 Point per activity:
   a. Training sessions
   b. Club clean-up days
   c. Help with social activities
   d. Crew at Apostle Island Station races

If a Provisional Member does not earn the required 15 Points during their first year of membership, they may re-apply for a second year of provisional membership and a new mooring priority number will be assigned.

B. Partnerships
An Equity Partner is two or more people who own a boat together. At least one of the Equity Partners is required to have a Full Membership; the other partner(s) can be either a Full or Skipper Member. Equity boat partnerships are required to notify the club manager every year the names of all Equity Partners in the boat, identifying at least one or more Full Member partners.

Groups or partnerships that share expenses but not boat ownership, require the boat owner to be a Full Member. All others may be either Full, Skipper, or Crew members.

If the boat qualifies, each Full Member in a partnership will be eligible to receive a duplicate set of keeper trophies, but not traveling trophies.

C. Mooring Priority
See Article VII, Section I in the By-Laws.
Mooring may be denied to unusually large boats. Slips and buoys will be assigned to make the best use of available space. Members considering the purchase of boats should check with the Dock Committee for availability first.

D. Guest Policy
Guests are welcome:
1. To come to the WYC.
2. On race days park in the upper-east parking lot “Guest Section” or park on the street, but please do not in front of residential homes.
3. To sit at the “Crew Table Looking For a Ride” prior to races.
4. To be picked up by a skipper and race.
5. To enjoy free refreshments after the race.

Guests who race in more than 5 races per season are required to join the WYC as a member.
A. Dues
Current WYC dues, fees or assessments must be received by the Club Manager prior to any race which is to be scored or counted for mooring priority purposes, the 15 race requirement or for series scoring purposes. After 60 days past due of due date, posting of past due members may occur at the discretion of the WYC Board. See Racing Policy.

B. Membership Certificate Entry Fee
The membership certificate entry fee is set at the discretion of the Board of Directors. Currently, this fee is $400.

C. Annual Dues
Annual dues are established by the Board of Directors at the December Board meeting for the following year. Full members receive a $25 discount with a US Sailing membership.

Annual dues for each class of membership, in 2011, were set at:
- Full Member: $440
- Skipper Member: $310
- Crew Member: $100

4. Six (6) and Fifteen (15) Race Requirement
Wayzata Yacht Club has a two-tier mooring fee system based on the participation of a member in the racing program. This allows the club to charge a higher "commercial market rate" for mooring on Lake Minnetonka for members who do not race at all, powerboats, or sailboats who are not active racers. Active racers receive a lower "Racer Mooring Rate".

A. The Six Race Requirement
The WYC by-laws state a Full Member who finishes 6 races in a previous season maintains a mooring priority in the highest category the following season. This is based on membership seniority and requires timely payment of all dues and fees. If a racer finishes six races in a season and is moored in the marina that season, they are guaranteed a dock or buoy in WYC marina the following year.

B. The 15 Race Requirement
Members who meet the 15 race requirement will receive the Racer Mooring Rate for the following year. New members to the WYC who declare their intent to be active racers (at least 15 races) are automatically granted the racer mooring rate. Members must participate in at least 12 of the keelboat races scheduled in the WYC Schedule of Races. Members may substitute for up to 3 of the 15 race requirement by participating in associated club support activities. Participation points may be earned as follows:
1. Providing a boat for the "WYC on the Water Training" to be a Host Skipper. Three Saturdays equals the maximum 3 activity credits.
2. Being a Certified Guest Instructor for "WYC on the Water Training. Three Saturdays equals the maximum 3 activity credits.
3. Participating in "Spring Cleanup Day".
4. Participating in other WYC events approved in advance by the WYC Board of Directors as recorded in the minutes.

Organizers of the above events will keep a list of those qualifying for participation credit and enter the data into the WYC computer for the member's credit. It is recommended that members check the WYC scoring computer at the clubhouse or on the web to see that they were properly credited.

C. What Races Count toward the 15 Race Requirement
All WYC sponsored keelboat races on Lake Minnetonka shown on the schedule for this season may be counted toward the 15 race requirement. This includes all regular keelboat races for all classes plus, but not limited to, the following:
1. WYC Regattas such as the Cool Cup, U-Gotta Regatta, J-22 Districts,
2. J-22 Fleet #1 Championship with both WYC and MYC Races committees,
3. Other WYC sponsored races shown from time to time on the WYC Schedule for keelboats on Lake Minnetonka.

D. To Receive Credit Against the 15 Race requirement For Cancelled, Abandoned, or DNF Races
The WYC computer scoring system has a provision for giving competitors credit towards the 15 Race Requirement for attending a race that is cancelled, abandoned or where a racer receives a DNF (did not finish).

When races are cancelled or abandoned, the Race Committee will make an effort (not in lightening conditions) to stand by the race course and the committee boat dock to take sail numbers of competitors. Racers who pass by so the numbers can be immediately entered into the WYC scoring computer as "ATT" will receive credit for participation in that race even though there was no race or they were unable to complete it.
E. Appealing to the WYC Board of Directors
A member who does not complete the 15 race requirement due to mitigating or extraordinary circumstances may appeal to the WYC Board of Directors at season's end in writing.

Mitigating circumstances may defined as a change in employment or special family circumstances which temporarily hinder the member’s ability to participate in racing. The Board of Directors may rule that the member must pay the market rate for the forthcoming season, but upon meeting the 15 race requirement, receive a refund for the difference in rate. This exception will not be granted for 2 consecutive seasons.

Extraordinary circumstances may include a prolonged illness or death, a severe accident, natural disaster, or severe boat damage that precludes participation in races for an extended period of time. The Board of Directors may grant an outright exception to the 15 race requirement and permit the member to pay the "Racer's Rate" for the forthcoming season.

Appeals which do not fall within the above guidelines/definitions will be denied.

5. Scoring: Special Requests by Fleets
A Fleet may make special requests regarding its activities within the WYC Racing Program. Special requests shall be made in writing by the Fleet Captain to the Race Committee Chairperson. The Race Committee Chairperson shall respond to these requests in writing. Reasonable requests will be honored and appropriate timelines will be applied.

6. Use of the WYC Building and Grounds
The Wayzata Yacht Club building and grounds are for members’ use and enjoyment for sailing related purposes. We ask that any members using the facilities conduct themselves in a responsible and safe manner at all times and respect the rights of other members as well as our neighbors. Remember that the club is located in a residential area. Please respect the caretaker’s privacy and help them maintain the housekeeping by cleaning up before you leave the grounds.

A. Noise Policy:
1. The entire WYC facility is to be a Quiet Area Between 10:00 P.M. and 8:00 A.M. The WYC building and grounds, including the parking lots, shall be a quiet area during this time. This means hushed inside voices!
2. No outdoor speakers shall be used during events except the PA system for announcements during daylight hours. No other outdoor speakers or music speakers are allowed during events.
3. The Board of Directors may approve “Outdoor Live Music up to early evening hours” for a WYC Club Event. Such approval requires a written plan approved by the Board of Directors.
4. No outdoor live music for any private event.
5. Indoor live music or any amplified sound, above quiet background music, may be approved by the Board of Directors for a WYC Club Event up to 10:00 pm with all patio doors kept closed during the music. Such approval requires a written plan approved by the WYC Board of Directors.

B. Use of Balcony:
Members are welcome to use the balcony up to 10:00 pm. Please be considerate of caretaker’s privacy.

C. Children under 12:
Children under 12 are not permitted at the club without parental, guardian or school instructor supervision. It is strongly recommended that all children wear life jackets while outside at the WYC.

D. Dogs and Pets:
All pets should be kept quiet and respectful of all members, on a short leash, and under constant supervision. Pets should be kept off the grass where sails are rolled, out of the clubhouse, and away from crowded socials or race day socials. Any waste must be thoroughly cleaned from the ground immediately, under penalty of a $100 fine. Please respect this policy so that pets privileges can be preserved.

E. All Classes of Members May Use the Club Facility Any Time:
All classes of members may use the club facility without prior approval or registration for “General Use” such as before and after sailing, hanging out, picnics, using grills, tables and bathrooms. For an organized group greater than 15 the event must be registered with the Club Manager and avoid interfering with sailing events. All members are welcome to this use of the facility even if there is a registered event i.e. fleet meeting, Board meeting, or registered private party. It is expected that all parties cooperate and use extreme courtesy when sharing the facility.
F. General Requirements For All Private and Club Events:
1. There must be a person willing to take responsibility to supervise the entire event from beginning to end to ensure all club rules are followed. (Noise, clean up, securing the clubhouse, etc.).
   A. For General WYC Sailing events this is usually the Club Manager.
   B. For Fleet meetings, Board meeting, Committee meetings it is usually an Officer, Board Member, Committee Chair, or Fleet Captain or Club Manager.
   C. For private events it must be a Full Member who registers the event.
2. Registering an event does not provide the exclusive use of the club facility.
3. No live bands without WYC Board approval.
4. The WYC Noise Policy will be strictly enforced.
5. Clean up arrangements are to be assured.
6. The clubhouse must be properly secured after the event.
7. The club manager may require Board review of an event request.
8. Only one registered event is permitted at a time; the event cannot conflict with a regularly scheduled WYC event or another previously registered event.

G. Specific Rules For WYC Sailing or WYC Related Events
1. All WYC events noted on the Official WYC Schedule in the Sailing Instructions are automatically registered events and approved by the WYC Board of Directors.
2. May register up to a year ahead of time.
3. May require special Board approval.
4. There is no charge for use of the facility.
5. Arrangements for use of the beer and pop equipment may be made with the Club Manager.

H. Specific Rules For Private Events

2. May register no earlier than 6 weeks ahead of time to allow WYC Sailing related events to take priority.
3. The Full Member must take responsibility to supervise the entire event from beginning to end, and to be sure all the club rules are followed (noise, securing the club, clean up, etc.).
4. The Full Member accepts responsibility for a $1,000 fine for violating the noise policy.
5. The Full Member accepts responsibility for a $250 fine plus $50 per hour for cleaning the facility if they fail to properly clean up.

6. The Full Member must agree to and sign the WYC facility lease agreement and pay the applicable fees.

   b. $50 Rental fee for groups of 15 to 25
   c. $100 Rental fee for groups of 26 to 50
   d. $150 Rental fee for groups of 51 to 75

7. Only one registered event is permitted at a time; the event can’t conflict with a regularly scheduled WYC event or another previously registered event.
8. The manager may require Board review of an event request.
9. Event rental is intended for casual, flexible, quiet events. Wedding receptions and similar “high value” events are typically not allowed per the managers discretion.
10. Registering an event does not provide the exclusive use of the club facility.
11. No live bands.

I. Alcohol Policy
All members and guests should monitor their use of alcohol, ensure that minors are not allowed access to alcohol, and be vigilant about any incidents of driving or boating under the influence of any controlled substance. Behavior at WYC should not infringe upon the family friendly nature of our club and neighborhood.
1. The WYC supplied keg will be turned off approximately 3 hours after the committee boat docks, always within quiet hours, and be primarily operated by club members.
2. Any WYC Board Member, the Club Manager, or an agent of the manager may (at their sole discretion) request that anyone on the WYC property cease their use of alcohol (club or privately supplied) if that individual appears to be excessively or inappropriately intoxicated.
3. If deemed necessary, the club may arrange for transportation home or take additional measures to ensure safety.
4. Failure to comply with these requests, or repeated incidents, are grounds for suspension or expulsion.

7. Parking
Club parking on race days is limited; therefore members are required to observe the following rules:
A. Vehicles parked in the parking lots must display current WYC parking stickers or be registered in the clubhouse guest registration book. The sticker must be displayed on the left rear of the vehicle either on the left rear bumper, adjacent paintwork or the left corner of the rear window.
B. The West parking lot will be reserved for Full and Skipper Members only.

C. The near end of the East parking lot (west of the electric pole) will be for Full, Skipper and Crew Members.

D. The far end of the East parking lot (east of the electric pole) will be for Full, Skipper and Crew Members and their guests.

E. Guest vehicles must be registered by a member in the registration book in the clubhouse. The registration will include the host’s name, guest’s name, address, phone number, make of car and license number.

F. Vehicles should be parked as closely together as possible. The maximum distance apart should be two feet.

G. The drive through circle is intended for drop-off and pick-up only. Parking in the circle is not permitted and is subject to being towed. Parking in the handicap parking space is also subject to being towed with a $200 fine.

H. The parking area on County Road 16 has been designated by the City of Wayzata for vehicles with trailers only. Vehicles without trailers may be ticketed and towed by the Wayzata Police.

I. Violation of the WYC Parking Policy may result in a difficult to remove “WYC Parking Violation Sticker” to be attached to the car’s window or the car being towed at the owner’s expense.

8. Halyards
All members must tie off their halyards before leaving their boat in order to eliminate all halyard noise in any wind condition. Failure to eliminate halyard noise can invoke anything from a minor fine to a severe penalty and may also cause you to lose credit for racing, entirely at the discretion of the club.

9. Advertising
No advertising on sails or hull shall be permitted during WYC “club events” under the ISAF Advertising Code 20.3.1, Category A. This includes all races on the WYC schedule, unless specifically noted.

10. Commercial Activity
Commercial business activities conducted on or from club property non-incidentally are prohibited, except where specifically approved by the WYC Board of Directors. Miscellaneous items such as T-shirts, food, and raffle tickets may be sold, incidental to approved events. Full Members may hire services for boat equipment or personal coaching.

11. Personal Property, Lifts and Trailers
A. Wayzata Yacht Club is not responsible for any lift, trailer or other personal property stored at the clubhouse.

B. Boat lifts are prohibited from docks B & C.

C. Boat lifts may not be stored along the shoreline or in the parking lots, but may remain in the water by the dock.

D. No trailers with or without boats may be parked overnight in the East Lot.

E. Trailers with or without boats may not be stored in the West Lot.

F. On occasion, generally around "put in" and "pull out" days, overnight parking may be allowed in the West lot if clearance has been obtained from the WYC manager.

12. Unlawful Acts
The Wayzata Yacht Club does not condone or tolerate unlawful activities on its premises. Premises include the buildings, grounds, docks and buoys. Boats moored at the docks and buoys are considered to be on the premises. Examples of unlawful acts are (but are not limited to) possession, use or sale of illegal controlled substances, loud or disorderly conduct, etc. A member who commits unlawful acts shall be subject to termination as described in Article IV.3.b of the Club Bylaws. Should the unlawful act be committed by a member’s guest, the member shall be responsible and subject to termination as above.

13. Use of Club Logo
The Wayzata Yacht Club name and logo are the sole property of the Wayzata Yacht Club and may only be used with the written permission of the Wayzata Yacht Club Board of Directors. The Wayzata Yacht Club does not generally charge a licensing fee to businesses for use of the club name or logo, but reserves the right to do so at any time in the future. Use of the club name or logo is automatically granted to club members for team, fleet or WYC event promotion and fund-raising.

14. Use of Boat Crane
A. All club membership levels may purchase an annual operation card for the crane.

B. This card is non-transferable and may be revoked without warning if used by the card holder for boats other than their own or those in a WYC recognized partnership.

C. Crane operation hours are dawn to dusk. No chemical washing is allowed. Crane boom shall be stored pointed at the white home across the street. A crane use orientation must be completed before any operator may use the crane. No overnight storage of keelboats on trailers is allowed.

D. Detailed operation guidelines are available at www.wyc.org/seminars.

B. There shall be five officers of the Club: Commodore, Vice-Commodore, Treasurer, Secretary, and Rear Commodore.

C. Emeritus board members shall be conferred by unanimous vote of the board of directors to any individual deserving such special consideration.

Section 3. Vacancies

If a vacancy occurs in the office of Commodore, the Vice Commodore shall thereby become Commodore for the unexpired term, and the Directors shall, in that event, or in the event of any other vacancy in the office of Vice Commodore, choose another Vice Commodore to serve until the next annual election.
B. Vacancies in the office of Secretary and Treasurer shall be filled by the Board of Directors.
C. Any vacancy in the Board of Directors shall be filled by the Board of Directors.
ARTICLE II – Duties of the Directors

Section 1. Duties of the Directors

A. The Board of Directors, by themselves and through the officers and committees of the Club, shall be responsible for the management of all affairs relating to the Club, and shall exercise the authority implied therein. Except as specified by these Bylaws, committee duties shall be defined by the Directors.

B. The Directors and Emeritus members shall meet from time to time for the purpose of conducting the business of the Club. Seven voting members of the Board shall constitute a quorum at all meetings. The Commodore shall be responsible for notifying all Directors of proposed meeting dates and times, and if present, shall preside at all meetings. The Commodore, as chairperson at these meetings, shall be privileged to vote on all questions coming before the Board. In other respects, the Board may adopt such rules of order, as they may deem advisable.

C. The Board of Directors shall approve and ratify the annual budget of the Club as presented by the Commodore.

ARTICLE III - Duties of Officers

Section 1. Duties of the Commodore

It shall be the duty of the Commodore to take command of the fleet, to preside at all meetings of the Club membership and the Board of Directors, and to enforce the laws and regulations of the Club. The Commodore may call a meeting of the Club membership or of the Board of Directors at their discretion, and shall do so at the written request of three members. The Commodore shall also recommend and nominate before the Board of Directors all chairs and members of committees for the Club. As soon as possible after each annual meeting and pursuant to the recommendations of the Directors, the Commodore shall appoint a Race Committee and such other committees as deemed appropriate to facilitate the management of the Club during the following year. The Commodore shall oversee the preparation of an annual budget for presentation to the Board of Directors.

Section 2. Duties of the Vice-Commodore

It shall be the duty of the Vice-Commodore, in the absence of the Commodore, to assume all the duties of the Commodore. At all other times the Vice Commodore shall act on behalf of the Club and the Commodore in such capacities as the Commodore and the Board of Directors may define.

Section 3. Duties of the Secretary

It shall be the duty of the Secretary to keep a record of the meetings of the Club membership and the Directors in a book provided for that purpose; to keep a correct role of all members; to keep a list showing the name, class, racing number and ownership of each yacht enrolled in the fleet; to keep a current mooring priority list; to notify all members-elect of their election as officers or directors and the requirements for qualification; to notify the members of all Club membership meetings and to send out all other notices and announcements of the Club; and to supervise every revision and printing of the Club membership roster.

Section 4. Duties of the Treasurer

It shall be the duty of the Treasurer to oversee and be responsible for all financial records, transactions and activities of the Club. The Treasurer shall also report to the Club membership from time to time and at each annual meeting regarding the full financial conditions of the Club. The Treasurer shall also oversee the notification of delinquent members of their liability for penalties fixed by these Bylaws.

ARTICLE IV – Membership

Section 1. Classes of Membership

A. There shall be five classes of membership: (1) Full, (2) Skipper, (3) Crew, (4) Association, and (5) Honorary.

B. Full Membership. (Formerly known as Family Membership). The voting members of this corporation shall be the Full Members. Full Membership extends the privileges of membership, as provided in the Bylaws, to the Full Member, his or her spouse, and his or her children under age of 25. A Full Member shall be entitled to one vote. A vote may not be cast by proxy at any meeting except that in the absence of the Full Member, the Full Member’s spouse, if present at the meeting may vote in the place of the absent member. A Full Member shall be eligible to vote provided he or she is not in arrears on dues or assessments. The application for Full Membership shall identify the member of the household to be enrolled as Full Member.

B.1 Provisional Status. Provisional Membership shall represent the status of an applicant for Full Membership for up to the first two years of membership. A Provisional Member along with his or her spouse, and children under age 25, shall enjoy all the privileges of Full Membership except the right to vote at any annual or special meeting or the right to hold office. At least annually, the Board will review Provisional Members status for appropriate motion to Full Member status. The Board shall publish criteria for promotion to Full Membership.

C. Skipper Membership. A Skipper Membership is required by any individual qualifying “member on board” for an unlimited number of races. Owners of recognized class boats are excluded from this membership, except that persons holding an ownership interest in a yacht otherwise owned and registered with the Club by a Full Member must hold either a Skipper Membership or a Full Membership in the Club. Failure to comply with this...
will result in the yacht's disqualification from racing. Skipper Memberships do not constitute membership in the corporation, shall not confer on its holder the right to vote, hold office, or receive mooring priority and are subject to renewal annually.

D. Crew Membership. A Crew Membership is required by any individual who becomes regular crew on a yacht or who has participated in more than five races in a season. A Crew Member receives Club mailings and may participate in Club activities but is not entitled to vote, hold office or receive mooring priority. Crew Memberships are subject to renewal annually.

E. Association Membership. An Association Membership may be granted to a sailing Association by the WYC Board provided the mission of the Association seeking such membership is judged by the WYC Board to be consistent with WYC's purpose and vision. An Association Membership receives Club mailings (one set) and may participate in Club activities, but will not be entitled to a membership certificate nor will it confer on its holder the right to vote or hold office. An Association Membership is entitled to Mooring Priority, except no more than four (4) Association Memberships may be moored in the WYC marina at any given time. Association Membership is subject to renewal annually. Termination of Association Membership and corresponding mooring priority is subject to Article IV, section 3, below, or the following paragraph entitled “Special Review and Termination.” The Association agrees to be responsible for the acts of its members and the Association Membership may be terminated due to the acts of its members. Each member of the association is subject to WYC membership requirements (see Skipper, and Crew definitions above.)

- Special Review and Termination: In addition to any provision herein, the WYC Board, upon notice, may place the association on probation for one year requiring the association prove to the WYC Board of Directors that the association is (1) meeting its designated mission, and (2) such mission is consistent with WYC’s contemporary purpose and vision. At the end of the year of probation, the Association Membership and mooring priority may be terminated based upon a majority vote of the WYC Board of Directors. Termination will not relieve an Association Member from any liability for any indebtedness to the Club.

F. Honorary Membership. Honorary Membership shall be conferred by unanimous vote of the Board of Directors to any individual deserving such special consideration. Honorary Members shall have all privileges of membership except the rights to vote, hold office, or maintain a mooring priority.
Section 3. Notice of Fees and Dues
The Board of Directors shall publish a schedule of fees and dues each year on or before a date not less than 60 days prior to deadline for fees and dues payment, and this schedule shall remain in effect for one year from its date of adoption, except in the event of exceptional or unforeseen circumstances requiring discretionary action by the Board.

Section 4. Mooring Fees
The Board shall set a fee for mooring, docking, or other fees associated with maintaining a yacht at the Club facility or marina.

Section 5. Honorary Members
Honorary Members shall not be assessed fees or dues.

Article VI - Yacht Classes
Section 1. Racing Classes
Sailboat racing classes shall be limited to six recognized classes plus an "establishment" class. A recognized class may have a separate start, may be divided into multiple starts, or may be started with another class at the discretion of the Race Committee subject to approval of the Board of Directors.

Section 2. Racing Class Recognition
Yacht owners may petition to organize a recognized class providing there are less than six classes. At least five owners must form a petition seeking approval of the Board of Directors to race the as the Establishment class. If the petition is approved and the petitioning class succeeds in having at least five (5) yachts finish in three (3) of the A, B, C, G, T, or M Series, it shall be eligible for class recognition in the case of an opening for a new class. In the case of multiple class application, eligibility priority shall be established by Board action. A yacht shall be deemed to finish a Series if it meets the minimum requirements established by the Race Committee.

Section 3. Disestablishment of Racing Classes
A racing class that does not maintain a minimum participation may upon action of the Board of Directors be disestablished for the following racing season. Once the class is disestablished, the class must go through the reestablishment procedures outlined in Section 2. Minimum participation shall be satisfied if at least four yachts complete three of the A, B, C, G, T, or M Series. Completion means the yacht must finish four of six races if six races are counted or four of five races, three of four races, or if less, all the
races counted. One-design racing classes with no alternative recognized class in which they qualify shall have two seasons to meet minimum participation requirements.

**Section 4. Change in Ownership to Establish New Class**

Each member, when buying or selling a yacht, shall give notice to the Secretary. A Full Member who disposes of their yacht or replaces it with a yacht of a non-recognized class shall have the opportunity until the completion of the next full summer racing season to join with four other boats of the same class and petition for recognition. During this period, they shall not relinquish any mooring priority granted under ARTICLE VII, Section 1. If this new yacht does not become a recognized racing class within this period the member shall lose their mooring priority among racing class yachts for the next season and until such time as he or she becomes a member of a recognized racing class.

**Section 5. Small Boat Racing Classes**

In addition to the six recognized racing classes, the Board will designate the racing classes, racing schedule, and applicable fees and dues for members participating in the small boat racing members on an annual basis.

**ARTICLE VII – Mooring**

**Section 1. Mooring Priorities**

A priority list has been established initially by drawing, and, thereafter, according to date of Full Membership application, including payment of fees, subject to final acceptance. The Secretary will maintain this list in current status at all times. Mooring priorities at Club facilities within the priority list will be assigned with preference given the following order:

1st: Commencing in 1976, Provisional and Full Members owning yachts part of a recognized racing class on the date set for filing mooring applications who raced his or her yacht in at least six races during the preceding season and Association Members who raced 15 races during the preceding season and members exempt from the six race requirement under Section 4 hereof.

2nd: Provisional and Full Members owning yachts part of a recognized racing class on the date set for filing mooring applications who did not complete 6 races during the preceding season and Association Members who did not complete 15 races during the preceding season.

3rd: New Provisional and Association Members owning yachts that are not part of a recognized racing class.

4th: Provisional and Full Members owning yachts part of a recognized racing class on the date set for filing mooring applications who did not complete 6 races during the preceding season.

**Section 2. Mooring**

This Article shall apply to all yachts either moored at buoys or docked at the Club marina facilities. A Full or Association Member must notify the Secretary by the date set annually by the Board of Directors if they intend to moor a yacht at Club facilities.

**Section 3. Assignment of Moorings**

Assignment of moorings will be done as soon as practical after receipt of membership renewals by a method approved by the Board of Directors.

**Section 4. Five Year Participation Status**

Any Full Member, owning a yacht qualified within a Club racing fleet, who has met the six-race participation requirement during any five preceding racing seasons, may maintain his or her mooring priority without meeting the six-race requirement, in any year such member chooses not to moor at the Club facility. Notwithstanding such provision, any Full Member who elects to moor at the Club facility must meet the six-race requirement during such season of mooring in order to maintain his or her priority for the forthcoming season. Any active member who has maintained continuous active Full Membership since 1967 or prior years shall be exempt from the six-race requirement in order to maintain mooring priority. An Association Member may not avail themselves to this provision.

**Section 5. Multiple Owner Yacht**

In a case where a yacht is owned by several persons, all owners must hold either Full, Provisional, or Skipper Membership in the Club to render the yacht eligible for mooring. Where the yacht is eligible for mooring, priority assignment will be based on the lowest priority number held by any member/owner with a 10% or greater equity interest. It shall be grounds to remove a member to the bottom of the mooring priority list if such member misrepresents the holding of an equity ownership in a yacht in order to secure mooring priority to that yacht. The six race requirement is met in the case of a multiple ownership yacht by finishing six scheduled races for each Full (or Provisional) Member/owner of the yacht. Only races finished in the recognized racing classes with the required **"membership-on-board"**, as defined in the then-current WYC Sailing Instructions, will be counted. An Association Membership is not subject to this section; an Association Member is required to finish fifteen WYC races. Only races finished in the recognized
racing classes with the required "membership-on-board", as defined in the then-current WYC Sailing Instructions, will be counted.

Section 6. Transferability
Mooring priority may not be sold or assigned for any reason except as provided herein.

- When a Full or Provisional Member dies, the surviving spouse may assume that priority eligibility during the tenure of his or her membership. Children of a deceased member who are or become Provisional or Full Members within six months of the member's death or the death of the member's surviving spouse, may retain the mooring priority of their deceased parent. Where both the children and surviving spouse lay claim to the deceased member's mooring priority, the spouse shall prevail during the tenure of the spouse's membership.

- In the event of dissolution, the spouse not identified to be enrolled as the Full Member has until one year from the date of dissolution to apply for their own Full Membership and pay the applicable fees in order to receive the same mooring priority as their spouse. In such event, while the spouse is entitled to retaining mooring status including the 5-year grandfather status, the spouse is required to pay an additional entry fee and all applicable fees and dues. After one year from dissolution, any spouse applying for a Full Membership will be treated as an application for Provisional Membership.

- Association Membership may not be assigned to any party in any manner without the prior written consent of the WYC Board of Directors requiring majority vote of the Board of Directors.

ARTICLE VIII – Meetings

Section 1. Semiannual Meetings
There shall be semiannual meetings of the membership held in Hennepin County, Minnesota, in April and November at a time and place designated by the Commodore, of which fourteen (14) days notice shall be given by the Secretary to the membership. Officers and Directors shall be elected at the November meeting.

Section 2. Special Meetings
In addition to the semiannual meetings, special meetings may be held at any time at a place designated by a majority of the Directors, provided that fourteen (14) days prior notice thereof, stating the object of the meeting, has been given to the members. Special meetings may not consider any topic not identified in the notice of the meeting.

Section 3. Informal Meetings
Informal meetings may be called by the Commodore at any time without notice but no business except of a temporary character will be in order at such meeting.

Section 4. Quorum
Ten percent (10%) of the enrolled Full Members must be present in person at any Club membership meeting to constitute a quorum for the transaction of business. In counting a quorum, the spouse of an absent Full Member shall be counted if present.

Section 5. Order of Business
The order of business at each meeting shall be as follows:
- First - Reading of Minutes of Last Meeting
- Second - Reports of Officers and Committees
- Third - Election of Officers and Directors (November meeting only)
- Fourth - Business per Agenda
- Fifth – Adjournment

Section 6. Notice and Agenda
The agenda of a semiannual meeting shall be established by the Board. Notice of the meeting shall include a statement of the agenda. The agenda may not be altered except by vote of 60% of the persons at the meeting, eligible to vote.

Section 7. Balloting
Votes may be cast at any meeting either by mail or in person. The notice of the meeting shall include a mail ballot. Mail ballots shall be in a form approved by the Board and may be counted only if received by the Club Secretary before the meeting is called to order. Mail ballots shall not be counted to establish a quorum. Members voting by mail shall waive their right to vote on matters raised at the meeting but not set forth in the agenda.

Section 8. Rule of Order
Roberts’ Rule of Order shall be the authority to decide any question or order not herein provided for.

ARTICLE IX - Amendments and Alterations

These Bylaws may be amended or changed at any semiannual or special meeting of the Club by a two-thirds (2/3) vote of the members voting, providing notice contained the substance of such proposed amendment or change has been given to the notice of the meeting.

Wayzata Sailing Foundation

The Wayzata Sailing Foundation works to support the support the Wayzata Community Sailing Center as a fund raising and support umbrella. They work closely with such organizations as the U of M Sailing Team, the Courage Center, Jabbock Family Services, Interfail, The Mike Plant Foundation, the Shinozaki Memorial Fund, and various Wayzata Community Sailing Center programs and regattas. Their emphasis is to support programs that educate sailors and provide access to the sport for those that might not otherwise have the opportunity.

The support of club members like you is critical to the ongoing success of the organizations under the Wayzata Sailing Foundation. Your contributions can be directed to a general fund or to specific programs. For information visit www.WayzataSailing.org.

Apostle Islands Station

Sailboat racing in the Apostle Islands of Lake Superior is conducted as a separate fleet of the Wayzata Yacht Club. This beautiful and challenging sailing area is located four hours north of Wayzata near Bayfield Wisconsin.

Boats in this fleet are primarily between 30 to 50 feet, and regularly race in separate offshore events throughout the Great Lakes and around the world. The premier event of the Bayfield season is RaceWeek, which takes place during the week of July 4th and hosts smaller boats from WYC and the entire Midwest. Visit them at www.bayfieldraceweek.org.

Minnesota Women's Sailing Team

The MWST has evolved and grown since their 1997 Women's keelboat championship campaign to define a larger mission of promoting women's racing and recreational sailing activities in local, regional and national events. What began as a grassroots effort, now has become a premier regional team serving many interests.

Women, (and men, too) are welcome to join in their support of women's sailing, or as a means of entering and learning more about the sport of sailing. More can be learned about the MWST by visiting their website at www.mwst.org.

The Commodore's Special Award was started by Bob Slocum to recognize help that he received in the years of low water at the yacht club.

This award is an adjunct to the Bail Bond Trophy, to be awarded by the commodore for special service to the club. It is not necessarily awarded every year, and is intended to be reserved for special occasions where an individual or group of individuals performs in an outstanding fashion.

The Andy Crew Award was given to the Wayzata Yacht Club by Ross Bishop in memory of his brother Andy Yender. Andy died crewing on Ross's Etchells 22 in Lake Michigan at the Chicago North American Championship.

Selection: Traditionally, the Andy Crew Award has been given to an outstanding crew member and then that crew member would get together a committee of previous "Andy" winners to select the recipient for the following year.

**The Foster Award**

The Foster Award was donated in 2002 by Dale "Dirt Ball" Anderson to honor Bert Foster for his 30 years of outstanding Race Management contribution to the WYC. The first year Dirt awarded it to Bert Foster and in future years it is to be awarded to recognize other outstanding race management contributors to the WYC.

Selection: The Foster Award is presented by the Chairman of the WYC Race Committee to a person who has made a great contribution to the WYC's Race Management. It can be awarded to a person for years of service, to a young Race Officer for making great progress toward becoming a Principal Race Officer, or to other deserving contributors to WYC's race management. This trophy is not necessarily awarded every year but is reserved for recognizing outstanding individuals and their contributions to race management.

The Sportsmanship Award was donated to the Wayzata Yacht Club in 1968 by Paul Geyer. Paul was an active sailor in the club at that time, and created the award to recognize another sailor who he felt had “hung in there” and competed under circumstances that would have been overwhelming for most people.

Selection: This award has been given for both a single act of sportsmanship or on-going sportsmanship behavior on and off the race course.

The Bail Bond Award was given to the Wayzata Yacht Club in 1966 by an anonymous donor to be presented to our first Commodore, Walt Brantingham. The award is called the Bail Bond Trophy because the City of Wayzata issued a warrant for Walt’s arrest for illegally mooring his yacht at the WYC. Fortunately Walt’s boat was moored in front of his house. Walt, with the Club’s attorney, sued for false arrest and the City dropped the warrant.

Selection: The Bail Bond Trophy is to be awarded by the Commodore to the person who has demonstrated the greatest love, spirit, and care, for the Wayzata Yacht Club. This trophy is not necessarily awarded every year and is reserved for recognizing extraordinary efforts. The Bail Bond is WYC’s highest service honor.

The Boat of the Year Trophy was donated to the Wayzata Yacht Club by George and Betty Hansen in 1975. It is to award both excellence in achieving first place finishes and a participation award for sailing many races. Originally awarded in a sail-off of fleet champions, the award is now a season long points race. The B.O.T.Y. is WYC’s highest racing honor.

Selection: Starting in the 1993 season, the first place finishes are weighted by the number of participants for that fleet in each race, and is awarded to the boat that accumulates the most points.
